The U.S. Environmental Protection Agency (EPA) Region 2 Brownfields team would like to invite you to participate in its upcoming *Brownfields Proposal Guidelines Workshops (Helping Applicants Understand Grant Requirements)*. The workshops are designed to assist local government and nonprofit organizations to better understand the proposal criteria and selection process for EPA's Brownfields assessment, cleanup, and RLF grants. The following topics will be addressed during the workshops:

- The different EPA Brownfield grant types and candidates eligible to apply
- The grant application process and the threshold and ranking criteria
- Proposal tips and strategies

### **Who Should Participate?**

Local, county, and regional governments and nonprofit organizations who are currently considering applying for an EPA Brownfields assessment, cleanup, or RLF grant are strongly urged to participate

### **Workshops Dates and Locations**

Seven workshops will be held in New Jersey and New York. Choose from the list provided.

### **How to Register**

Registration is free. To register, please email [Dejesus.Yocasta@epa.gov](mailto:Dejesus.Yocasta@epa.gov) and indicate date and location. We encourage you to register early, seats are limited
